Mini Smart Gripper 3

Universal Smartphone Holder

5 Years Guarantee · Designed in Germany · Made in Germany

ONE Operation

- Phone is securely positioned in an upright and easy to view position while driving
- Convenient to hold Smartphones when navigating traffic and communicating Handsfree
- Great to hold any Smartphone (Apple iPhone, Samsung Galaxy etc.), flat Mobile Phone (foldable phones and slider mobile phones) and MP3 Player (Apple iPod Touch) and others
- Fits devices up to 76 mm wide (3 inches)
- Cushioned, retractable side arms hold the device safely and securely in holder
- Squeeze sides to secure phone, push button on side to release
- **EASY ONE-HAND OPERATION** – Smartphone inserts and removes easily
- **CRASH SECURE** – foam padded side arms with front clamps hold phone firmly in holder
- Movable and exchangeable foot pegs can be adjusted for charging connections
- Holder can also be flipped 180 degrees to change the position of the holding arms to avoid interference with functional elements and buttons
- Rubber foam padding inside holder to eliminate vibration noise and to protect device
- Great when using GPS Navigation applications
- Perfect compliment to any Bluetooth hands-free solution
- HR's 4-Hole Adapter System on back of holder attaches safely to HR's patented 4-Prong Adapter System or 4QuickFIX Adapter System
- Self-adhesive included
